NAME_____Digital Photo B2 or B4 (circle the class you're in)

Develop a written list of possible places you can photograph.

- place, type of lighting (natural, available, daylight, night time, moonlight, sunrise, sunset, artificial flash, dramatic light, bounce, fill),
- mood you wish to evoke (use a thesaurus and be descriptive, don't just list happy, sad….dig deep and think of nuances of mood and feelings) ,
- type of place (landscape, cityscape, inner space, architectural, mind-scape)
- Hand in this printed paper.
- Should have at least ten or more places and varied moods. **This is meant to help you brainstorm your ideas.**
