Assignment Description: Masters Artistic Voice NING Research Rubric

This first assignment is intended to help you develop your voice as an artist and photographer. This course will involve a lot more independence than Digital Photography I and you will be needing to research and develop proposals about the subjects and techniques you wish to explore. For this first assignment you will be researching a minimum of 3 modern photographers who you feel especially strong about. These should not be found on Pinterest or Google Images. Instead explore some of the photographers listed on the Weebly Modern Masters page. This will get you started with some new and intriguing visuals.

GRADING SCALE: Point Value

- + Plus indicates you did this well and counts for 3 points
- ✓ Check indicates that you did this, but were missing something and counts for 2 points
- Minus indicates that you did not do this to the level required and counts for 1 point
- 0 Zero indicates that the required element is missing and counts for 0 points

_____ Explain who the 3 photographers are that you were most drawn to.

_____ Explain what the artists are known for as artists, (what type of work do they do etc).

_____ Explain why you chose these artists

_____ Explain how they might influence your own work.

_____ Discuss the direction you hope to take in this class, describing what your artistic voice or style is and how you will explore that through the work you create.

_____ Explain what bigger ideas these photographers explore.

_____ Propose what your series will be about and explain the setting, subject, mood and other details that pertain to your idea.

_____ Embed 3 images (one from each photographer).

_____ Cite your sources by including links to the websites you used and found your information.

_____ Used sources other than Google images for images and research.

TOTAL POINTS: Grades _____ Total out of 30 points _____ Letter grade
