You will be working on a daily assignment called ***A Day in Your Life-Art in the Time of Quarantine***

There are 3 parts to your daily assignment while we are in Quarantine: Spend no more than an 60 - 85 minutes on this unless you really want to do more. This is meant to be like being in class.

Part One:

It is expected that you create one work of art a day with whatever supplies you have at home. If you have your visual journal at home use this to create the art. If you don't use paper and save it all in one folder or notebook. Be organized with your work. You could also recycle an old book, phone book, cardboard, paper bags etc. and use that as your art-making surface.

Part Two:

Write briefly (3-5 sentences) about each work of art you create telling about what you creating in terms of concept, composition, media and inspiration (artist or other). Think of these like daily journal entries (art and writing).

Part Three:

- **Post and comment.** You will post your work to [Google Drive](https://drive.google.com/open?id=1hK9AkjykSjs2ZqIJDzBsnIUYqscu7cqg) [_\(https://drive.google.com/open?id=1hK9AkjykSjs2ZqIJDzBsnIUYqscu7cqg\)](https://drive.google.com/open?id=1hK9AkjykSjs2ZqIJDzBsnIUYqscu7cqg)
