

# PAINTING 1 COLOR WHEEL RUBRIC

---

• Mrs. Bjork

• Room 114

• [bjorjea@pewaukeeschools.org](mailto:bjorjea@pewaukeeschools.org)

## GRADING SCALE: Point Value

- + Plus indicates you did this well and counts for 3 points
- ✓ Check indicates that you did this, but were missing something and counts for 2 points
- Minus indicates that you did not do this to the level required and counts for 1 point
- 0 Zero indicates that the required element is missing and counts for 0 points

\_\_\_\_\_ Colors are placed in proper relationships to each other

\_\_\_\_\_ Wheel is a smoothly blended “donut-o-color” transferring from one hue to the next

\_\_\_\_\_ No individual pie pieces are visible or evident.

\_\_\_\_\_ One rectangle showing a tone, 2 complementary colors, with smooth blending.

\_\_\_\_\_ Second rectangle showing a tint to full color to shade, with smooth blending.

\_\_\_\_\_ Project is completed neatly and on time.

\_\_\_\_\_ Total out of 18 points
