Dear Jeanne,

On behalf of the Wisconsin Art Education Association, it is my great honor to inform you that you have been elected by your peers for the ***Historian*** position of the Wisconsin Art Education Association. May I be the first to extend warm congratulations on behalf of the WAEA Board as well as my personal best wishes.

Your two-year term will commence (as per Association policy) at the close of the WAEA Board meeting to be held on May 1, 2016 at the WAEA Retreat. (Retreat information will be emailed to you in a separate mailing).

Again, I send my warm congratulations on the election. I look forward to seeing you at the retreat and congratulating you in person!

Sincerely,

Tiffany Beltz
